POLICY

1. School profile

Harston Primary is a small school offering big opportunities and an enviable work environment. They will have a naturally nurturing teaching experience with our current enrolment of ten students allowing for individualised teaching and learning.

The school is known to families for its strong emphasis on differentiated learning, where students share a whole-school classroom and work on individual learning points of need rather than at a structured grade level. Staff partner closely with families to achieve student outcomes everyone can take pride in.

Harston is a safe, secure and happy environment where students love to come to school. For a small school comprising a principal and business manager, it's also incredibly well resourced with access to mobile art and library programs and part-time specialists to deliver Auslan, creative arts and wellbeing lessons.

The principal's approach to staffing is flexible and supportive, with an emphasis on professional development and personal growth opportunities.

Situated in Victoria's lush "foodbowl", the Goulburn Valley, Harston Primary is one of a number of small rural schools in the region sharing collegiate support, resources and participation in excursions and special events.

We strive to provide a nurturing and challenging environment that empowers students to reach their personal best, both academically and socially.

2. School values, philosophy and vision

Harston Primary School's Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community. Students, staff and members of our school community are encouraged to live and demonstrate our core values of respect, integrity and kindness at every opportunity.

Our school's vision is to empower students to reach their personal best, and fully equip them to contribute positively to society as happy, healthy young adults.

Our Statement of Values is available online on the [Harston Primary School website](#).
