

The Harston HERALD

Term 4 - week 8

Hello 😊

The last couple of weeks we have managed to squeeze in some cool learning about Mini Beasts and Fairy Tales. The students have enjoyed reading different versions of fairy tales and completing all the fun activities related to the story.

The students had an incursion at school with John & Fiona from the Goulburn Murray Landcare. Can we once again -Thank John & Fiona for their time and all the fun we had learning about our natural minibeasts. We also extend our thanks to Ms. Greenaway for organising the incursion for us and for supplying a most delicious morning Tea 😊.

We have celebrated Willow's birthday. Zalea achieved her pen licence. Laya reached 100 books & I became Harston's Substantive Principal which is awesome.

Our 5/6 students went yachting on the Shepparton Lake after the last couple of years of it being cancelled due to covid and the floods. Thank you- Kate Nichols for organising it for us. What a glorious day! We visited the play areas on the lake had frozen drinks and chips from Hungry Jacks and had our photo taken by the photographer of the Adviser for being SunSmart! We even managed to do the roll down the hill at the lake -although some_ need practice to roll down not across 😊.

At school, the students could spend their money and buy ice-cream cones with sprinkles - Yummmmm. Our year 5 students received Fishing Rods from the Department to help promote fun outdoor activities and in Science this week the students studied how scientists measure earthquakes and made their own devices. Another great couple of weeks. Great Job everyone.
