School News

Happy New Year everyone and Welcome to 2025!

We hope everyone enjoyed a well deserved break, and a safe and happy holiday season! Harston Primary School is looking forward to another exciting school year filled with many enjoyable activities, including making and decorating birthday cakes to mark birthday celebrations, cooking and bread making, mud kitchen and water play, caring for our school veggie garden, science activities, excursions and incursions, sports activities and school camp, just to name a few!

We have so much to offer here at HPS, including experienced individualised teaching, fortnightly visits from our School Counsellor, weekly Speech Pathologist onsite, visiting Art and Library specialist sessions, and friendly and welcoming support staff! New enrolments are always welcome.

Welcome to Ash and Xander - our new Foundation students! We look forward to helping you settle in and start your journey at Harston PS. We would also like to extend a big welcome to Mrs. Diana Archer, who has commenced as our Business Manager 2 days per week - we are so glad to have you on board! We have had a great time welcoming everyone back and getting started in 2025!

Welcome
BACK TO
school
